Report of Principal and School Improvement Council

Cane Bay Middle School opened its second successful school year with grades 5-8. The addition of grade 5 students increased the student and instructional staff by nearly 50%. This dramatic increase in enrollment and program growth was both a challenge and an opportunity. As a team we focused on meeting this growth with continued academic excellence in a safe and caring environment.

Teachers continued to work collaboratively to implement district instructional units and develop professionally with a focus on student achievement and engagement. Support for teacher and staff advancement was provided through District Staff development times as well as embedded professional development during the school day.

Through the ongoing support of our school community and dedicated work of our students and staff, Cane Bay Middle continued to thrive. Academic honors included having 2 Duke TIP Scholars as well as 9 Junior Scholars. Students in grade 8 earned high school credits in up to four subjects: English I, Algebra I, Spanish I, and Keyboarding/Computer Applications. Students also demonstrated their STEAM (Science, Technology, Engineering, Arts and Math) skills through participation in QUEST, Robotics, Trebuchet, Dimension U (SPAWAR sponsored contest). Other academic extensions included Odyssey of the Mind, the State Mock Trial competition, the Renaissance Club and National Junior Beta Club.

Fine Arts included visual arts, strings orchestra, band, and chorus for all grade levels. Cane Bay students earned placements in All-County Band, Chorus, and Strings as a result of their hard work and commitment to their talents.

Outside of their academic successes, Cane Bay students led the way in community involvement through active Student Council sponsored outreach to Kids Who Care, the Make a Wish foundation, food drives, Relay for Life and Pennies for Patients. Beta Groups provide school service as peer tutors and school beautification. Junior Cobra-2-Cobra members provided orientation visits for new students and their families to help them acclimate to our school.

In partnership with Cane Bay High School, 7th and 8th grade students were able to participate in high school league sports. Students were also able to participate in Trident League Basketball, Fellowship of Christian Athletes.

As we move into year three, we will continue to Lead The Way in building community relationships and strengthening the opportunities for our students to shine through academics, leadership, and character development.

Respectfully,

Deon Jackson, Principal

ESEA/Federal Accountability Rating System

In July 2013, the South Carolina Department of Education was granted a waiver from several accountability requirements of the Federal Elementary and Secondary Education Act (ESEA). This waiver allowed SC to replace the former pass/fail system with one that utilizes more of the statewide assessments already in place and combine these subject area results with graduation rate (in high schools) to determine if each school met the target or made progress toward the target. This analysis results in a letter grade for the school rather than the pass/fail system of previous years. For a detailed review of the matrix for each school and districts that determined the letter grade, please use the following link: <http://ed.sc.gov/data/esea/> or request this information from your child's district or school.

Overall Weighted Points Total	84.8
Overall Grade Conversion	B

Index Score	Grade	Description
90-100	A	Performance substantially exceeds the state's expectations.
80-89.9	B	Performance exceeds the state's expectations.
70-79.9	C	Performance meets the state's expectations.
60-69.9	D	Performance does not meet the state's expectations.
Less than 60	F	Performance is substantially below the states' expectations.

Accountability Indicator (Title I Schools)

Cane Bay Middle School has been designated as a:

	Title I Reward School for Performance - among the highest performing Title I schools in a given year.
	Title I Reward School for Progress - one of the schools with substantial progress in school subgroups.
	Title I Focus School - one of the schools with the highest average performance gap between subgroups.
	Title I Priority School - one of the 5% lowest performing Title I schools.
	Title I School - does not qualify as Reward, Focus or Priority School.
X	Non-Title I School - therefore the designations above are not applicable.
